

LEUKEMIA/BONE MARROW TRANSPLANTATION FELLOWSHIP VANCOUVER

The Leukemia/Bone Marrow Transplantation Program of British Columbia offers 1 or 2 Year fellowships to provide advanced training in the management of adults with hematological malignancies including all aspects of allogeneic and autologous hematopoietic stem cell transplantation (HSCT). Approximately 200 HSCT procedures are carried out per year and 60 patients with acute leukemia are treated with non-transplant therapies by the program. Candidates should be registered in, or completed a recognized hematology or oncology training program. For more information, please go to www.leukemiabmtprogram.org. Interested candidates should submit a curriculum vitae and the names of 3 references to:

Dr. Donna Forrest, Fellowship Director, Leukemia/BMT Program
British Columbia Cancer Agency and Vancouver General Hospital
Gordon & Leslie Diamond Health Care Center, Hematology/BMT Administration
10th Floor, 2775 Laurel Street, Vancouver, B.C. V5Z 1M9 Canada
