

Oncology/Hematology Locum NIAGARA HEALTH

The Department of Oncology at Niagara Health seeks a highly skilled and motivated oncologist/hematologist with a track record for providing compassionate and efficient care to join the Department at Walker Family Cancer Centre in a locum capacity November 2016 until September 2017. This role will work collaboratively with the systematic, radiation, and surgical oncologists in the outpatient oncology clinic / WFCC and Niagara Health to provide expert consultation in the control of symptoms related to malignant disease and its treatment. This is in addition to working in a private office practice and Niagara Health to provide care for benign hematology condition.

Niagara Health is one of the largest multi-site health care systems in Ontario serving 434,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,500 employees, 640 physicians and a \$500M budget, Niagara Health provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for Niagara Health as the organization builds on a robust relationship with McMaster University's Michael G. DeGroote School of Medicine.

<p>The Role</p>	<ul style="list-style-type: none"> • Provide locum tenens for maternity leave coverage • Participate in Oncology/Hematology call rotas (group of 13 oncologists and hematologists) • Remuneration is Fee for Service • Includes malignant and benign hematology at Walker Family Cancer Centre/Niagara Health and private office practice
<p>Academic Affiliations:</p>	<p>Since its founding in 1966, innovation has been the hallmark of McMaster University's Michael G. DeGroote School of Medicine and a major contributor to its international reputation for excellence. The medical school has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic</p>

	<p>partnerships are a priority for Niagara Health as the hospital has expanded into this new facility. We are interested in Physicians who will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting.</p> <p>In addition to McMaster, Niagara Health is building strong ties with other regional academic providers such as Brock University and Niagara College.</p>
Tertiary Care:	<ul style="list-style-type: none">• Hamilton Health Sciences and St Joseph's Healthcare Hamilton 1 hour away
Qualifications Required:	<ul style="list-style-type: none">• Independent license or eligible for independent license with the College of Physicians & Surgeons of Ontario (CPSO)• FRCP(C) Medical Oncology or Hematology• Eligible to work in Canada without restrictions
