

The Division of Hematology, Department of Medicine, University of Calgary is seeking applications for the position of HEMATOLOGIST for a community based hematology practice.

The successful candidate will provide inpatient and outpatient consultative services at the South Health Campus, Calgary's newest tertiary care center, and will take part in call coverage at the Peter Lougheed Center or Foothills Medical Center. It is expected that the candidates will participate in teaching in the clinical setting, and participate in research efforts of the division.

Remuneration will be on a fee for service basis. Candidates must have FRCP(C) or equivalent in Hematology, and be eligible for specialty licensure in Alberta.

Interested individuals may contact Dr. Peter Duggan, or send a Curriculum Vitae and the names and addresses of three referees to:

Dr. Peter Duggan
Chief, Division of Hematology
