

**Locum Hematologist
Division of Hematology
Dalhousie University/Nova Scotia Health Authority
Halifax, Nova Scotia**

The Department of Medicine, Dalhousie University/Nova Scotia Health Authority seeks applications for a locum hematologist at the QEII Health Sciences Centre site. This is a combined Hospital/University position. Clinical activities will include attending on the inpatient and consultation services and working in clinic.

The Division of Hematology is one of 15 divisions in the Department of Medicine, providing compassionate care of patients with hematological disorders whose disease may be benign or malignant. The Division is committed to excellence in clinical care, education, and research.

A remuneration and benefits package through an alternative funding plan will apply. Nova Scotia offers exceptional cultural and recreational opportunities in addition to a high quality of life.

Academic rank will be dependent upon qualifications & experience. Candidates must have FRCP(C) certification (or equivalent) in Hematology, and be eligible for specialty licensure in Nova Scotia.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. The Department of Medicine is committed to fostering a collegial culture grounded in diversity and inclusiveness.

To apply for this position, please send a cover letter, Curriculum Vitae and names and addresses of three referees to Kathryn McIlrath by email at kathryn.mcilrath@nshealth.ca

Closing date for applications is March 18, 2019.
