

Simcoe Muskoka Regional Cancer Program

Hematology Locum Opportunity

We are currently looking to recruit locum coverage for the inpatient hematology service at Royal Victoria Hospital (RVH) in Barrie, Ontario. We are looking for individuals interested in doing 1 week locum coverage blocks covering both admitted hematology ward patients and inpatient hematology consultations. Coverage requirements will be Monday to Friday from 8:00 am to 5:00 pm with no after-hours call requirements. Remuneration will be with a weekly stipend payment plus fee for service billing.

If interested in discussing opportunities and availability please contact:

Dr. Lauren Gerard

Royal Victoria Hospital
