

Hematology Locum Opportunity

Department of Oncology
Royal Victoria Hospital, Barrie, Ontario

Dates: December/January 2021/2022 – September 2022

We are looking to recruit a full-time or part-time locum position providing outpatient clinic care in Benign Hematology at the Royal Victoria Hospital in Barrie, Ontario, just an hour away from downtown Toronto. Coverage would consist of ambulatory benign hematology clinics, which take place within the hospital ambulatory outpatient areas. Nursing and clerical support provided. Remuneration is fee-for-service. Successful applicant would be working with a group of 4-5 other hematologists, providing malignant and benign coverage through the Simcoe Muskoka Regional Cancer Center.

Additional opportunity for locum position to become full-time permanent position.
